Beautiful Victorian Accents invite you to this lovely 1800 sq Ft., 3 Bedroom, 2 Bath, 2 Story. Boasting the amazing fenced backyard oasis w/ a covered patio, new sidewalks, manicured gardens and gathering spaces including an outdoor pergola, and a happy space custom built playhouse. You are warmly welcomed to the spacious and tasteful decor of the double living room and/or dining area. Enjoy the coveted large country kitchen w/ appliances, the perfect gathering space for family and friends. Also, boasting a first-floor bathroom and laundry/mudroom with easy patio access. Second floor offers 3 bedrooms, and a spacious full bathroom. A full walk-up attic offers lots of storage and expanded living space. The detached garage/workshop and off-street parking spaces provide extra storage and convenient access to the property. Great Bonus... is the new roof on the house and garage. Come and see this well cared for property and make it your "Home Sweet Home!!"
